

AYSO Region 65 Post Season Eligibility

Region 65 offers a post season tournament for divisions U10 and above. Participation in these post season games is by invitation. In order to be invited to participate in the post season games, the team must meet the post season eligibility requirements.

For the **FALL 2010** post season, the eligibility requirements are:

The team must provide one or more AYSO certified referee(s) who will referee a minimum of 8 games in the U10 division or above, as the Referee or as the Assistant Referee (AR-Lineperson). Youth referees may only represent one team for 3 of the 8 games needed. An adult referee, **or several adult referees**, 18 years or older, must do the remaining 5 games to qualify for the post season games. Adult referees may only serve as a representative for a maximum of 2 teams and they must have a family member on at least 1 of the teams.

All 8 games must be completed before **Nov 7, 2010**. The name of the team's referee representative(s) must be turned in to the Regional Board no later than **September 30, 2010**, to have their games counted. **U10 teams must provide, at the least, the AR for all of its' games.**

In addition, each team must supply a Referee or Assistant Referee for a minimum of 5 games after the post season draw is conducted on or about **Nov 11, 2010**. At least 3 of the 5 games must be post season games in order to move on past the first round of pool play. No youth referees will be allowed to pre-register for post season games.

U16 and U19 Post season eligibility will be determined at a later date once their schedule is solidified.

If your child is playing in the U6 or U8 program, your team **MUST** provide a certified referee for all home games. These divisions do not participate in the post season play.

***NO GAMES WILL BE PLAYED IN THIS REGION WITHOUT AN
AYSO CERTIFIED REFEREE.***

This is in compliance with AYSO National regulations
